

Certificate II in Automotive Vocational Preparation

Course Code AUR20720

The Certificate II in Automotive Vocational Preparation is a work-ready pre-employment program designed to meet the needs of students wishing to pursue a career in the automotive industry. This program aims to enable students to develop a defined range of skills appropriate to entry-level positions in the automotive industry and to apply known solutions to a limited range of predictable problems associated with an understanding of basic automotive technologies.

Contribution Towards VCE: VM

A certificate II or above VET Course is mandatory for students studying VCE:VM.

180 nominal hours or above
= 2 VET credits

Contribution Towards VPC

Every 90 nominal hours of VET
= 1 unit of credit.

Contribution Towards VCE

Students will be eligible for two or more units at Units 1 and 2 level and a Units 3 and 4 sequence.

ATAR Contribution

Students who receive a Units 3 and 4 sequence will be eligible for an increment towards their ATAR (10 per cent of the fourth study score of the primary four studies).

Units may include:

- Follow safe working practices in an automotive workplace AURASA102
- Use and maintain tools and equipment in an automotive workplace AURTTK102
- Carry out basic vehicle servicing operations AURTTA127
- Identify automotive mechanical systems and components AURLTA101
- Select and use bearings, seals, gaskets, sealants and adhesives AURTTA105
- Follow environmental & basic sustainability best practice in an automotive workplace AURAEA002
- Identify automotive electrical systems and components AURETR10
- Resolve routine problems in an automotive workplace AURAF104
- Communicate effectively in an automotive workplace AURAF103
- Dismantle and assemble multi-cylinder four-stroke petrol engines AURTE008
- Dismantle and assemble single cylinder four-stroke petrol engines AURTE007
- Operate electrical test equipment AURETK003

- Remove, inspect and refit light vehicle wheel and tyre assemblies AURLTJ113
- Remove and replace brake assemblies AURTTB007
- Solder electrical wiring and circuits AURETR006
- Construct and test basic electronic circuits AURETR048

Note: Program commencement subject to enrolment numbers. Units of Competency are subject to change. This training is delivered with Victorian and Commonwealth Government funding to eligible individuals. All details are accurate at the time of publication.

PPE & Other Equipment

Safety boots required. Appropriate work wear clothing
Other equipment as detailed by RTO.

Possible Study Pathways

- Certificate III (apprenticeship)
- Certificate IV (post trade)
- Diploma

Potential Career Paths

- Light Vehicle Mechanic
- Heavy Vehicle Mechanic
- Earthmoving and Mobile Plant
- Automotive Electrician
- Motorcycle Mechanic

School to Work

A minimum of 40 hours work placement is recommended.

Scored Assessment Available

No

National Accreditation

Program Structure

2 years

Location

Automotive Workshop,
Longerenong College, Horsham
College or Federation TAFE - Wimmera
Campus
