

Certificate II in Furniture Making Pathways

Course Code MSF20522

The VCE VET furnishing program provides students with the knowledge and skills to enhance their employment prospects in the furnishing or cabinet making industry. The qualification within this program will help develop students' knowledge of timber and other furnishing materials plus provide them with the ability to read plans whilst working on a range of projects. A person working in the furniture trade may be involved in cabinet making, upholstery, polishing, picture framing and floor finishing and covering while incorporating elements of creativity with functionality and design.

Contribution Towards VCE: VM

A certificate II or above VET Course is mandatory for students studying VCE:VM.
